It is the legislative intent that the appropriation made in this item is nonrecurring.

It is also the request of the general assembly that the Tennessee department of transportation, in conjunction with the Metropolitan Government of Nashville and Davidson County, conduct a study of traffic patterns and projections of future traffic associated with the development and opening of the Bicentennial Capitol Mall, the THDA Bicentennial Model Neighborhood "Hope Gardens", and the Farmers' Market, and projected state development in this area. The study should also consider the impact of these projects on the surrounding neighborhoods, and recommendations to alleviate traffic conditions which have and may result from these developments and their associated impacts on surrounding areas. Such recommendations may include proposals for closure or one-way operation of streets to protect residential areas from mall-related traffic encroachment, additional turn lanes, or additional traffic control devices. In conducting a study, the department should consult with the Tennessee housing development agency, the Metropolitan development and housing authority, the Metropolitan department of public works, and neighborhood organizations in the affected areas. The department actions should be reported to the 100th General Assembly before February 1, 1997, with any recommendations or proposals.

determination by the Commissioner of Finance and Administration that revenue is available.

Item . From the funds allocated to the 1996-97 capital outlay program under the provisions of Senate Bill No. 3178/House Bill No. 3162, it is the legislative intent to allocate \$2,000,000.00 to East Tennessee State University for the purpose of constructing a Continuing Education Center which may be developed in cooperation with other entities. The center will address the continuing education needs of medical and business professionals. It is the legislative intent that no state funds be appropriated to East Tennessee State University for the current operating costs of the Continuing Education Center.

Item . From the unexpended funds appropriated to the legislature there is hereby allocated a sum sufficient to the State Building Commission to preplan additional space requirements for the legislature and the executive.

Item . It is the legislative intent to establish a reserve in the state's general fund equal to the state share of sales tax revenue, based upon a 5.5 percent rate, received from the construction of a sports stadium in Davidson County. The reserve amount is hereby appropriated in-lieu of issuing bonds authorized under Chapter 582, Public Acts of 1996, and the State Funding Board shall cancel said bonds in a like amount."

AND FURTHER AMEND by adding to Section 43 of the printed bill the following new items to read:

"Item . In the fiscal year ending June 30, 1996, there shall be reserved or designated a sum in the general fund balance to provide for non-recurring appropriations and other appropriations intended to be funded in the 1996-97 fiscal year from the general fund balance at June 30, 1996. The Commissioner of Finance and Administration shall determine the amount to be reserved or designated."

AND FURTHER AMEND by deleting in its entirety Section 52 of the printed bill and substituting a new Section 52 to read:

"SECTION 52. It is the legislative intent that the state employee salary increase appropriated in Section 1, Title III-21 of this act shall be three percent (3%) cost-of-living adjustments applicable equally to all employees. The three percent (3%) salary increase shall apply to commissioned members of the Department of Safety as part of the annual compensation survey authorized in Tennessee Code Annotated, Section 4-7-201."

AND FURTHER AMEND by adding a new section to the bill as printed to read:

"SECTION . It is the legislative intent to reduce the appropriations made in Section 1 and other sections of this act in the following amounts:

Item 1. Reduce the appropriation for State Employees Salary Range Changes in Section 1, Title III-21 by \$6,903,800.00.

Item 2. Reduce the appropriation for TCRS Rate Increase in Section 1, Title III-21 by \$417,200.00.

Item 3. Reduce the appropriation for TennCare in Section 1, Title III-23 by \$20,900,000.00.

requirements on general obligation bonds authorized in Senate Bill No. 3178/House Bill No. 3162 for the following projects: a) Dyersburg State Community College - Tipton County Center \$576,000; b) Walters State Community College - Library equipment \$695,000; c) Austin Peay State University - Improve infrastructure phase I planning \$115,000; d) University of Memphis - Library renovation planning \$474,000; and e) Volunteer State Community College - Health Sciences building full planning \$340,000.

Item 4. Subject to the passage of Senate Bill No. 2539/House Bill No. 2425, there is hereby appropriated \$3,000,000.00 in recurring funds and \$2,200,000.00 in non-recurring funds to implement the provisions of the Workers' Compensation Act of 1996. This appropriation shall be allocated by the Commissioner of Finance and Administration to the appropriate departments and agencies of state government.

Item 5. From the appropriations made in Section 1, Title III-27 to the State Funding Board, the sum of \$561,000.00 is earmarked to pay debt service requirements on general obligation bonds authorized in Senate Bill No. 3178/House Bill No. 3162 for the following projects: a) Pickwick Landing State Park \$4,000,000; and b) Natchez Trace State Park \$1,100,000.

Item 6. There is hereby appropriated the sum of \$1,440,000.00 to the Department of Environment and Conservation for capital outlay purposes at Roan Mountain State Park. This appropriation is earmarked from the unexpended appropriations made for debt service in the fiscal year ending June 30, 1996 which is provided from revenues generated by Chapter 1029, Public Acts of 1992. the appropriation shall be funded also by any excess revenues generated by Chapter 1029, Public Acts of 1992 in the fiscal year ending June 30, 1996.

Item 7. Upon passage of this act, there is hereby appropriated the sum of \$1,000,000.00 to the state building commission for the purpose of making a grant to Meharry Medical College for major renovation projects of the Harold D. West Basic Sciences Center (the "Center"). This appropriation is made from available balances in the debt service fund, including the amount of premium received in fiscal year 1995-96 in connection with the issuance and sale of bonds.

This appropriation is contingent upon the receipt by Meharry of an equal amount of matching funds from the National Institutes of Health for renovations of the Center. Further, this appropriation is subject to the project being approved by the state building commission and the Commissioner of Finance and Administration. The Department of Finance and Administration is requested to provide technical assistance to Meharry in the development, design and contracting for the Center renovations as may be requested by the state building commission."

AND FURTHER AMEND by adding to the bill as printed a new section to read:

"SECTION . If the Commissioner of Finance and Administration, as otherwise authorized by law, issues a questionnaire to governmental entities receiving a state appropriation in excess of \$100,00 a year about the amount of those appropriations expended to influence legislation in or appropriation by the General Assembly or expenditures by the executive; the Commissioner of Finance and Administration shall
